In this day and age the idea of doing more with less is commonplace in private schools. This year, St. John's is making an attempt to become financially self-sufficient at the urging of the Archdiocese of Denver. As a result, we have turned to our own fundraising activities and events to ensure that students have what they need in order to be successful both in and outside the classroom. Fundraisers help with the purchase of additional classroom supplies and to pay for extracurricular activities, as well as essential tools such as computers, printers, science equipment, art and music programs, and much more. Thank you for your support!

ON GOING EVENTS: YANKEE CANDLE, AMAZON SMILE, SCRIPT SALES, AND ENDOWMENT (30K MATCH)
